

Ground and building vibration monitoring projects during seismic investigations

This is a list of some projects for which Spectrum has provided ground and building vibration monitoring services.

Client	Project
AEA Technology/Nirex	Geological Investigations Dounreay. Seismic Survey Programme completed by Prakla Seismos
Aegis-Nordhaus Construction, USA	Structural Vibration Survey – Vilsek Family Housing, Vilsek, Germany
AleAnna Resources	3D seismic survey of Corte Dei Signori, Po valley, Italy. For IMC Geophysics
Bath & NE Somerset Council	Seismic Survey, Bath Spa project completed by IMC Geophysics
BNFL/Nirex	Geological Investigations Sellafeld 2D Seismic Survey carried out by British Coal TSRE
BNFL/Nirex	Geological Investigations Sellafeld: 2D Seismic Survey carried out by British Coat TSRE
BNFL/Nirex	Sellafeld Geological Investigations Regional Studies, 3D Seismic Survey completed by Glasgow University
BP Exploration	Wytch Farm 3D Seismic Survey completed by Geco-Prakla
Brabant Petroleum	Seismic Survey centred around Farnham, Surrey EXL167 completed by Prakla Seismos
Brabant Petroleum	Seismic Survey Programme EXL197 centred around Dorchester, Dorset
Brabant Petroleum	Seismic Survey Wareham Prospect, Dorset completed by CGG
Brabant Petroleum	Seismic Survey, Cheshire, Winsford Prospect completed by IMC Geophysics
Brabant Resources	Seismic Survey Programme centred on Weymouth, Dorset completed by CGG
British Petroleum Exploration	Wytch Farm: Seismic 3D Survey in Poole Harbour and Poole Bay completed by CGG
Cairn Energy	Seismic Survey Programme centred around Farnham, Reigate, Henfield and Hastings (Surrey and Sussex). Prakla Seismos
Canatx Energy Ventures	Seismic Survey, Wyre Estuary, Near Fleetwood, Lancashire
Centrica	Caythorpe gas storage seismic survey. For Centrica
Clyde Petroleum Ltd	Seismic Survey Wareham Prospect, Dorset completed by CGG
Enterprise Oil	Seismic Survey in Cheshire EXL061. Completed by Rees Geophysical
Enterprise Oil	Seismic Survey centred on Spilsby, Lincs
Enterprise Oil	Seismic Survey centred around Widnes, Cheshire EXL 057
Enterprise Oil	Seismic Survey centred around Bawtry, South Yorkshire EXL 053. Prakla Seismos

Client	Project
Hurricane Exploration	Perthshire 2D survey. For IMC Geophysics
Independent Energy Ltd	Seismic Survey Plumpton Prospect, Nr Blackpool. Completed by IMC Geophysics
Independent Energy Ltd/Archaen Energy Ltd	Seismic Survey Lancashire Plain. Completed by IMC Geophysics
Monument Resources Ltd	Seismic Survey, Nebit Dag, Turkmenistan
Northern Petroleum Ltd	Godley Bridge. For IMC Geophysics
Pentex Oil Ltd	Seismic Survey centred around Selby and Darlington completed by Prakla Seismos
Tullow Oil	Seismic Survey carried out by British Coal TSRE, High Hutton Prospect, Yorkshire
UKAEA	Geological surveys at Dounreay
UKAEA	Shaft hydrogeological investigations, Dounreay
YCI Espana	Seismic Survey Embayment Seismic Program, South of Bilbao, Spain
