

Paper, Plastic Film, Printing & Packaging

This is a list of some projects in the paper, plastic film, printing and packaging sector for which Spectrum has provided acoustic consultant or noise consultancy services.

Client	Project	Description of Services
AM Paper Ltd	Background Noise Assessment	Background Noise Assessment and Preliminary Noise Control Study at new Papermill and CHP Plant
Arjo Wiggins	Beaconsfield Research Site	Noise survey and Outline Noise Control recommendations for Aqueous Coater Plant
Arjo Wiggins	Stowford Mill, Ivybridge	Occupational Noise Assessment and Noise Control Feasibility Study
Aylesford Newsprint Ltd	Paper Mill, Aylesford	Traffic Noise Reduction Study at Leybourne Way
Aylesford Newsprint Ltd	Paper Mill, Aylesford	Environmental Noise Impact Assessment of the PM14 (Paper Machine 14) development and proposed PM15 development, Aylesford, Kent
BPB Purfleet	Purfleet Mill	Occupational Noise Survey at Purfleet Mill
Cross Paperware	Dunstable Mill	Environmental Noise Survey and Noise Control Feasibility Study at Dunstable, Beds
Du Pont Howson	Product development	Vibration survey for coating equipment NR7 Lithographic Plate Production Line, Greenfield Site
East Lancs Paper Mill Ltd	East Lancs Paper Mill	Environmental Noise Control Feasibility Study
GSK Operations	Ware site	Noise Control Feasibility Study on Paper Folding Machines
Hood Packaging	Dundee factory	Environmental Noise Survey following the installation of a new press
Horton Kirby Paper Mills	Dartford Mill	Noise Control Feasibility Study at Horton Kirby Paper Mill South Darenth, Dartford
Kimberley-Clark	Barrow Mill	Environmental Noise Measurements at Barrow Mill, Barrow-in-Furness
Kimberley-Clark	Northfleet Mill	Acoustic Design Study on paper machine vacuum pumps at Northfleet Mill
Kimberley-Clark	Northfleet Mill	Noise Control Feasibility Study at Northfleet Mill, Kent
Shotton Paper Co Ltd	Deeside Paper Mill	Baseline Environmental Noise Survey of Deeside Paper Mill; measurement results and analysis
Smufill Townsend Hook	CHP plant, Kent	Background noise survey
Tetrapak Ltd	High Wycombe site	Environmental Noise Survey and Outline Noise Control recommendations
Thomas de la Rue Ltd	Dunstable site	Occupational Noise Survey, Security Print Division and Miller 8 Colour Printer, Dunstable
